DEDICATED PROGRAM SUPPORT

On/Off-Site – Centralised program management is tailored to meet your unique needs with dedicated program teams located where it makes sense for your business; regionally, across the globe

Single-Point-of-Contact – AgileOne serves as one point-of-contact for sourcing, procurement, HR, hiring managers, suppliers, finance and temporary workers

VMS Management – No matter what vendor management system (VMS) you utilise, AgileOne will implement and manage all aspects of your automated processes including assistance to end users

PROCESS IMPROVEMENT

Eliminate Administration – Remove the administrative burden related to requisitions, supplier management, training, invoicing, accounts payable, assignment supervision and on/off boarding

Consistent and Consolidated – Uniform supplier contracts, consistent terms and conditions, communication templates, change management protocols and consolidated invoicing reduce errors and improve efficiencies

Supporting Your Goals – Acting as your consultative partner, the AgileOne team is focused on winning scenarios that sustain your business strategies

COST SAVINGS

Analyse and Standardise – Our internal team of analysts establish fair market rates by job title and region, eliminating rate inflation to insure the best possible price per hire

Competitive Rates – Maximise your labour budget with standardised rate cards based on your geography and job titles that encourage healthy competition by suppliers

Economy of Scale – Get better pricing by leveraging AgileOne's spend in the marketplace

SUPPLIER MANAGEMENT

Source and Select – Our Global Strategic Sourcing (GSS) team validates suppliers through a seven-step qualification process, identifying the best resources to fill your requisitions

Maximise Performance – Qualified suppliers are managed by a uniform set of standards in accordance with your master contract requirements and measured against key performance indicators (KPIs) and service level agreements (SLAs)

Widen the Pool – Gain access to thousands of qualified suppliers through AgileOne's global supplier network

Vendor Neutral – A level playing field increases supplier participation, leverages competition, builds relationships and improves quality of hires

THINK AHEAD

Risk and Compliance – Rely on our industry experts to provide the guidance you need to stay compliant with changing employment regulations

Measure Everything – Scorecards, surveys and benchmarks take reporting to the next level with actionable data that can help you avoid challenges and maximise opportunities

Constant Refinement – Quarterly and annual program audits measure progress, identify areas for improvement, anticipate program changes and respond to trends
