SCALABLE SUPPORT

Your Recruiters - Quickly respond to peaks in hiring demand with access to recruiting resources and expertise, while keeping full-time headcount and related costs to a minimum

Functional Expertise - Select experienced professionals with the specific skills sets you need to fill the capability gaps in your team including: recruitment marketers, IT specialists, project managers, sourcing and recruitment strategists, event managers, and functional experts for college and veteran recruiting

Single Point-of-Contact - Simplify your recruiting project by letting AgileOne manage all vendors, timelines and deliverables, serving as a single-point-of-contact for all stakeholders throughout the project lifecycle

TOOLS AND RESOURCES

Marketing Tools - Get the latest recruiting technologies through AgileOne's comprehensive memberships, without the long-term commitment or financial investment of maintaining your own memberships

Research Databases - Gain access to market research, industry reports, statistics and databases so you can stay abreast of labor trends and achieve greater accuracy in market forecasting

Project Roadmaps - When circumstances require a major shift in recruiting practices, AgileOne provides project plans and change management strategies that provide step-by-step guidance on how to take your program in a new, uncharted direction

KNOWLEDGEABLE PARTNER

Industry Focus - With an average of 11 years of recruiting experience, AgileOne's seasoned recruiters have achieved industry specializations and certifications in areas such as veteran recruiting, hiring events management, and college recruiting

Unparalleled Training - Our recruiters receive constant training and maintain industry certifications for a wide range of topics including: OFCCP compliance, background/drug screening, adjudication practices, global recruitment, sourcing strategies, communication, candidate engagement, social media and recruitment technologies

Brand Ambassadors - AgileOne integrates with your employment brand and company culture so candidates feel as if they are interacting directly with your internal staff and technologies
