SIMPLIFY PAYROLL

Online Timesheets - Web-based or imported timesheet submittal and approval processes reduce administrative burden for employees and managers

Prepare and Distribute - Weekly preparation and distribution of payroll and expense reimbursement with a direct deposit or paycard option

Easily Integrated - Electronic invoicing and billing allows for the importing of data into existing technologies and processes

CONTROL SPEND

Lower Rates - Payrolling rates for engaging known talent are much lower than sourced rates

No Surprises - "Cost Plus Model" calculates the cost of the product/service (employee pay, workers comp & statutory taxes) plus a standard markup

On-Demand Reports - Track time, expense and cost online for increased visibility into spend with standard or custom reports

ALLSOURCEPPS HIGHLIGHTS

End-to-End Solution - Manage every aspect of your workforce with a single point of contact.

Scalable and Flexible - Seamlessly add or remove recruiting support staff as needed to respond to business cycles or new opportunities.

Program Integration - Program can be customized to plug and play with existing technologies including VMS, screening, billing, HRIS and ERP systems.

Quality and Consistency - Constant program auditing measures performance to create benchmarks, measure results and create process improvements.

Global Reach - Localised processes, rapid deployment plans and access to the AgileOne global supply channel allows you to quickly and easily expand your business to new markets.

Tailored Options - Incorporate additional AgileOne technology and service modules to create a total workforce solution that can adapt to your changing needs.

Temporary and project workers play an important role in a strong human resources strategy. The ability to quickly identify and on-board known talent such as retirees and past employees allows your company to respond quickly to opportunities or demands. AllSourcePPS becomes the employer for named resource workers, adding a layer of support for hiring managers and workers while reducing cost, time-to-productivity and liability.
